

St David's Church in Wales Primary School

Digital Leaders Charter

As digital leaders we will:

- Follow and promote SMART rules to make sure everyone is safe and can have fun online.
- Make sure that children are using apps that are appropriate for their age.
- Ensure that our class are not clicking on random links that could leak our information, or lead to viruses.
- Try to be as creative as possible to make learning with the ICT fun and engaging.
- Always be kind to people who we are helping, and never call anyone silly or dumb.
- Make sure that all classes get a fair turn to use the iPads and the chromebooks so that all children can work digitally.
- Share our knowledge with other classes to help educate them.
- Look at new apps to download that will help with literacy and numeracy.
- Look after everyone in class, and make sure everyone understands the task they are doing.
