behalf of our whole school community, we would like to thank Miss Morgan for her dedication and hard work as acting ALNCo this academic year and we wish her success in her new role.

Mrs Foster will also be returning to school at the beginning of July following her maternity leave. Mrs Foster will return to her role as Head of School. I personally would like to thank Mrs Underhill Jones and Miss Morgan for their support and leadership at St David's which has enabled me to continue my role as Executive Headteacher across 'The Saints Federation'.

### **Transition**

As a school we recognise the importance of transition for our children and as a result, we will be arranging transition activities this year. From Monday 15th July, your child/ren will move into their new class with their new staff. Throughout the duration of the week they will engage in fun transition activities with their new teachers and begin to plan for the new academic year. Due to transition week and the way in which this will be enabled to take place, the children's last day with their current class teacher will be Friday 12th July.

Our current year 6 will be based in the school hall from Monday 15th July where they too will engage in fun end of primary school activities. Your child's chosen secondary school will make contact with you directly regarding their transition into High School.

### **School uniform**

School uniform helps play a valuable role in contributing to the ethos of the school and sets the appropriate tone. If you require support in purchasing uniform, a copy of the uniform grant form is available on our school website.

### **End of Year Reports**

It is a statutory requirement that schools report on children's progress at the end of the academic year. Our reports this year will be in the style of a 'Learning Journey'; these will highlight your child's progress for this academic year and provide you with specific curriculum targets that will prepare your child for forthcoming academic year.

School reports for this academic year will be emailed to you by your child's class teacher on Friday 5<sup>th</sup> July.
